

Mayors report July 2024

Firstly I offer my sincere thanks to our Deputy Mayor for the work carried out this month when I wasn't available.

A slightly quieter Month of Mayoral duties as listed below

As previously stated I want to highlight a couple of events that have been attended during the month. The open gardens scheme on 1/7/24 where people open their own gardens to raise fund for such a great charity. Without these types of events some charities just wouldn't survive. Our Town should be so grateful for the work that they put it and both myself and Cllr Hussein are delighted to be there to support their work

A couple of other events that are really worthy of a mention is the 70's event at The De La Warr organised by Roger Crouch, whom I tracked down and passed on my personal thanks to him and for his team. So many people having such a great time it was lovely to see and we, as councillors should be very proud, that at such short notice we were able to financially support this event

So many people, many from outside the Town came to speak to me and where amazed at the quality of this event. So many supporting the event with the appropriate costumes. One came to speak to me who I didn't even recognise even though I actually knew her

Finally, I was delighted to go to Sidley Cricket club and see so many other leaders in our community getting involved in what the club are trying to do for the future. I heard that not only are they targeting a new pavilion they aim to extend their car parking facility, bring electricity to the site and expand their coaching set up for the youth of Sidley and the greater Bexhill

I look forward to attending more events during August which includes leading the Bexhill carnival and opening and closing the annual Bexhill bowling event.

Its becoming very clear to me that our great town is heavily underpinned with such a fine group of volunteers which need as much help as possible to keep all their organisations going

Date	For the year	Event	Mayor	Deputy
01/07/2024	19	Homecall afternoon tea and open garden		x
28/06/2024	20	Attend the Med Tech Trust in Uckfield		x
