00037. QUESTIONS FROM COUNCILLORS AND FUTURE AGENDA ITEMS

a) To receive answers to questions raised at the last meeting

<p>Cllr Drayson asked should a show of hands vote include those voting against a motion and those abstaining.</p>	<p>A show of hands is the method that members use to show their vote in response to a motion that has been moved and seconded. Hands should be shown when the chairman asks for those voting 'for' a motion, those voting 'against' a motion and those abstaining from the vote.</p>
<p>Cllr Drayson asked if there was a way that a councillor can have a voting mistake corrected by judicial review.</p>	<p>Judicial review is a type of court proceeding, in which someone (the "claimant") challenges the lawfulness of a government decision. A councillor could instigate judicial review as the 'claimant', they would do so by acting in their own personal capacity.</p>
<p>Cllr Izzard asked what caused the delay in the town council opening a bank account and why wasn't it done at the beginning of the term.</p>	<p>The corporate body is responsible for the decision to open a bank account. In July 2021 the incoming clerk was passed details of the setting up a bank account by the outgoing clerk. An application to open an account was made in August 2021. Full council approved the signatories required for the account opening in September 2021. The clerk collected the required identification for the signatories and sent to the bank. The F&GP committee held its first meeting in October 2021 and monitored the opening of the account.</p> <p>RDC had been holding the town council's funds since the town council's inception.</p> <p>RDC transferred £500 to the new bank account to enable activation on 26th October 2021.</p> <p>RDC then transferred the remaining precept on 23rd February 2022 and this is when the town council began administering its own finances.</p> <p>The delay of funds transfer from RDC between the months of October 2021 and February 2022 was due to RDC taking advice on the VAT workings required to cross charge the invoices that they had paid on behalf of the town council since May 2021.</p>

	BoSTC/18.05.2022 – 000010
Cllr Blagrove asked when will the live streaming begin and can we have a written update on it. The monthly bank reconciliation is available under 'Finance and Accounting' page. After the Annual Accounting and Governance Review has been approved by the corporate body in June, this will also be displayed on the 'Finance' page, along with supporting documentation. The budget performance of the council is displayed in the meeting papers for the F&GP Committee each month and on the 'Finance and Accounting' webpage.
