

Mayors report

June 2025

So our first report for the year 2025/2026 shows a busy start with 20 items on the list. Could be indicative that there is lots going on in our Town

A couple of highlights for me, as usual

The attendance at the memorial service for Roy Oldcorn a WW2 bomber command who completed many selfless deliveries of food to the Dutch, without the food many may not have survived. If you haven't seen it the ITV snippet is on Bexhill on sea Town Council Facebook page

To attend the Sussex day lunch at the Bexhill college enabled me to meet others from outside of Bexhill to share some of the things going on in our Town. The usual 1 minute stand up speech

I can't forget to mention the rather large cheque that I presented to Sidley Cricket club from my fundraising event of £3850.00

They continue as a club to raise funds and I'll mention their club day on Sunday 20th July. There is a youth match and a 20-20 match together with other fund raising. If you haven't been to St Marys Lane a great day to pop along Starts at 11, bar open from 12

Mayoral Office 2025 - 2026

Date		Event	Mayor	Deputy
