

## Mayors Events Since Last Full Council

### OCTOBER/NOVEMBER 2022

After a very hectic and busy Summer I am somewhat surprised and I must say please that events have quietened down. At the start of October I was struck down by the dreaded COVID and it gave me a pretty difficult time. The Mayoral duties were conducted outstandingly by the Deputy Mayor Cllr Claire Baldry and I am sure that the whole council would wish to join me in a thanking Cllr Baldry for undertaking these duties at such short notice. As to did Cllr Connor Winter when at the last moment he was asked to step in for me in his role as deputy chair of planning, as did Cllr Stuart Wray as deputy chair of Assets Transfer, thank you fellow councilors.
